

Farm Service Agency, USDA

§ 760.405

(2) Control of the livestock that died.
(c) To be considered eligible, livestock must meet all the following:

(1) Be adult or non-adult dairy cattle, beef cattle, buffalo, beefalo, equine, sheep, goats, swine, poultry or deer.

(2) Perished as a direct result of an applicable disaster, in an eligible county and during the applicable disaster period as set forth in § 760.101;

(3) Been maintained for commercial use as part of a farming operation on the day they died; and before dying;

(4) Not have been produced or maintained for reasons other than commercial use as part of a farming operation, including but not limited to wild free roaming animals or animals used for recreational purposes, such as pleasure, hunting, pets, or for show.

§ 760.404 Application process.

(a) Applicants must submit a completed application, documentary evidence of loss, current physical location of livestock in inventory, physical location of claimed livestock at the time of death, and any other supporting documentation necessary for FSA to determine eligibility.

(b) Applicants must provide adequate proof that the death of the eligible livestock occurred during the applicable disaster period, and the death was a direct result of the applicable disaster, as set forth in § 760.101.

(c) The quantity and kind of livestock that died as a direct result of the applicable disaster may be documented by purchase records, veterinarian records, bank or other loan papers, rendering truck receipts, Federal Emergency Management Agency and National Guard records, written contracts, production records, IRS records, property tax records, private insurance documents, and any other verifiable documents available to confirm the presence and subsequent death of the livestock.

(d) Certifications of livestock deaths by third parties may be accepted only if both the following conditions are met:

(1) The livestock owner or livestock contract grower, as applicable, certifies in writing:

(i) That there is no other documentation of death available; and

(ii) The number of livestock, by category as determined by the Deputy Administrator, in inventory at the time the applicable disaster occurred; and

(2) The third party certifying to the claimed deaths by the livestock owner or contract grower must provide their telephone number and address, and certify in writing to all the following:

(i) Specific details about their knowledge of the livestock deaths;

(ii) Their affiliation to the livestock owner or contract grower;

(iii) The accuracy of the deaths claimed by the livestock owner or contract grower; and

(iv) Other details necessary for FSA to determine the certification acceptable.

§ 760.405 Payment calculation.

(a) Under LIP, separate payment rates are established for eligible livestock owners and eligible contract growers in accordance with paragraphs (b) and (c) of this section. LIP payments are calculated by multiplying the national payment rate, as determined in paragraphs (b) and (c) of this section, by the number of eligible livestock in each category, as provided in paragraph (d) of this section. The payment calculated for an eligible contract grower for an eligible livestock category shall be reduced by the amount of any compensation received from the contractor for the loss of income from the dead livestock.

(b) The LIP payment rate for eligible livestock owners is based on 75 percent of the average fair market value of the livestock.

(c) The LIP payment rates for eligible contract growers is based on 75 percent of the average income loss sustained by the contract grower with respect to the dead livestock.

(d) The categories of eligible livestock are as follows:

(1) Adult beef cows;

(2) Adult beef bulls;

(3) Non-adult beef cattle;

(4) Adult buffalo or beefalo cows;

(5) Adult buffalo or beefalo bulls;

(6) Non-adult buffalo/beefalo;

(7) Adult dairy cows;

(8) Adult dairy bulls;

(9) Non-adult dairy cattle;
